

FLUSH FORCE - ANIMATED INTRO.

Start with mid shot of toilet in restroom.

Roll of toilet paper flies into shot and falls into toilet.

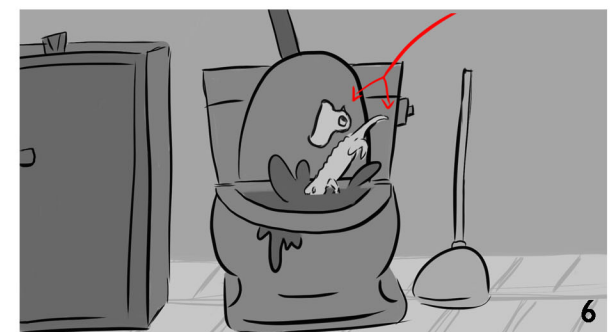

Next a slice of pizza falls into the toilet.

A fish in a round fish tank falls into toilet.

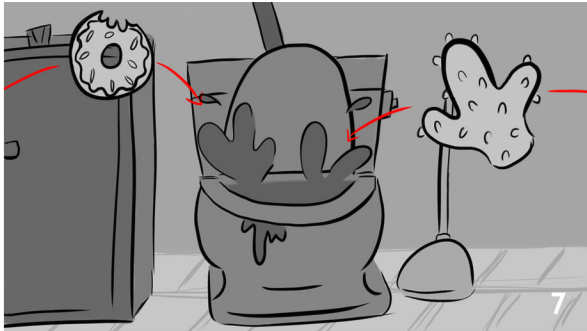

A crocodile falls in hitting the rubber duckie.

Both the crocodile and rubber duck fall into the toilet.

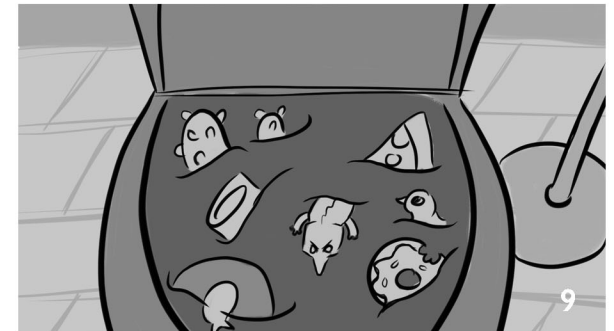

FLUSH FORCE - ANIMATED INTRO.

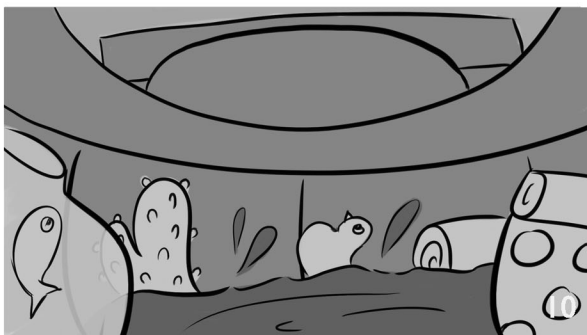

Two more items are thrown into the toilet.

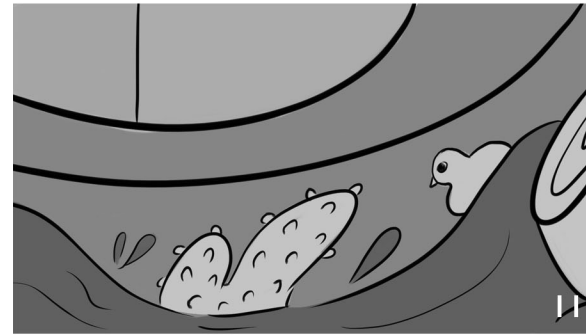

Camera moves towards the toilet.

Camera falls into the toilet just like the rest of the items.

Inside view of the toilet with all the items floating around. We hear a loud FLUSHING noise.

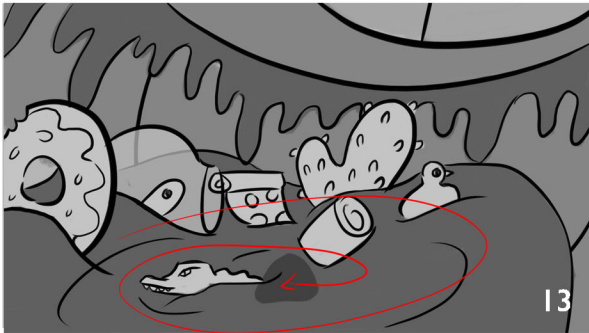

The water begins to flush down the toilet with all the items.

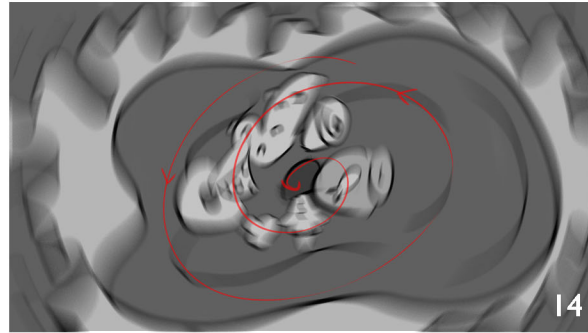

Continue to see the items being flushed down the toilet.

FLUSH FORCE - ANIMATED INTRO.

The items and water twirl down in a spiral motion.

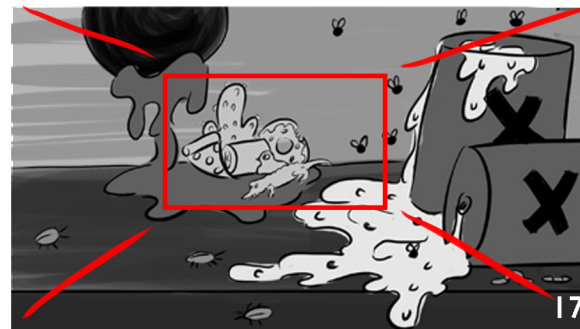

Bird's eye view of inside toilet spiraling down.

Toilet water and items twirl dissolve.

Twirl dissolve to them lying around in the sewer with toxic barrels nearby.

Zoom into the items.

The green toxic goo spreads towards the items, some begin to mutate.

FLUSH FORCE - ANIMATED INTRO.

Close up of all our creatures mutated.

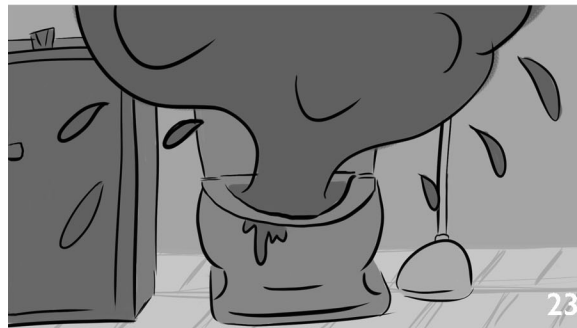

We hear another flushing noise and spiral shot of characters.

Characters twirl dissolve to next scene.

Twirl dissolve to toilet.

Toilet lid rattles and blows open with green goo.

Out comes the FF logo with it.
